Do NOT send nuts or any foods with nut products (oils, etc.) for use in the classroom. This policy is intended to keep the classrooms free of foods that are known to cause a serious allergic reaction for several of the students enrolled in our school. An allergic reaction may sometimes occur simply through indirect exposure to the nut such as smelling or touching the food.

Birthdays or Special Occasions - Please follow the guidelines for snack (avoiding any foods with nuts or nut products as ingredients). Festive snacks may be created by simply changing the presentation (example fruit kabobs, yogurt parfaits).

Lunches - School provided lunches do not include any nuts or nut products.
